

Protovision Presents

Pop Of Knightly Effort

4K Craptastic 2022 Edition

Instructions

Press fire to play on Title screen.

Use joystick in port 2 to move your Knight left and right, use the Fire button to shoot a crossbow bolt and Pop the balls. They will fall faster and split into more as you progress through the levels.

Pickups will fall to help or hinder your quest.

	Award 1 health point		1 Point
	Knight moves faster		2 Points
	Balls move slower		5 Points
	Double length bolts		10 Points
	Reverse controls		25 Points
	Bullet moves faster		50 Points

The drops **are not random**, use your skill to choose which you get for maximum points.
